CURRICULUM IN A NUTSHELL

VISION & MISSION

NTU ranks in Asia's top 10 universities for politics in QS rankings.

The English-taught International Relations Program, designed for international students, shapes future leaders with hands-on expertise in international political economy and geopolitics.

Students will explore the intricate connections between global economics, technology, and industries shaped by globalization, gaining practical, interdisciplinary skills to navigate in a fast-changing, interconnected world.

Foundational Trainings

- Political Science
- Introduction to International Relations
- Public Administration
- ROC Constitution & Government

International Relations & Law

- History of International Relations
- Comparative Government and Politics
- Decision Making and Analysis of Foreign Policy
- International Law

Economics & Political Economy

- Issues in International Economics and Trade
- Seminar on Political Economy of East Asia
- Government and Business

From NTU to the World

- The NTU Exchange Student Program offers current students the opportunity to study in one of 746 partner universities across 67 countries and regions.
